**Praise Reports:** Several of our young adults who gave their lives to Jesus just a month or so ago, keep asking to be baptized! Praising God for the way He continues to guide and provide a means for me to stay long term.

**Prayer Requests:** Please pray that the Lord provides a safe way for us to host baptisms despite ongoing persecution. Also pray for a 25-year-old young man who has been growing in his faith and felt called to become a pastor. After a severe health decline, he was diagnosed with kidney failure and was hospitalized. Pray for a miracle of supernatural healing.

### **Making disciples in West Australia**

**Praise Reports:** We launched a house church out of our home and have had a South African Mom and daughter joining us each week, along with a few Aussie young adults! We are also thankful that our Children have great core of friends for each of them. Each of our kids have been praying how they can start discipleship groups with their friends.

**Prayer Requests:** Please pray that we can increase our funding so we can reapply for our next visa to remain in Australia. We have to double our current partners from where we are now. Please pray for new doors to be opened into new communities to plant discipleship groups.

### **PRAYER**

*Father, we lift up our workers family to You. Cover them with Your protection (2 Timothy 4:18; Psalm 91:4). Let angels guard their steps and Your presence go before them (Psalm 34:7). Provide for all their needs (Philippians 4:19). Bless them with divine favor (Psalm 5:12; Revelation 3:8). Raise up laborers to join them (Luke 10:2). Strengthen them for the harvest (Psalm 126:5; Isaiah 55:11). Use them mightily for Your glory. In Jesus' name, Amen.*

# PERSPECTIVES

## Perspectives Online Course

Perspectives is a widely respected, comprehensive, and scriptural missions study course with over 250,000 alumni. The typical online course takes 18 weeks to complete. Receiving a Perspectives Certificate of Completion is required for all Foursquare Missions International (FMI) Missions Workers, and we recommend it for all who feel called to serve as an in-country Missions Worker.

## Fall 2026 Perspectives Online Class Information

Perspectives Online Asynchronous Classes - Students work through video instruction, assignments, discussions, and project work on a weekly rhythm, but they do not attend a required weekly live class.

There will be an additional virtual meeting each week if the student is part of a Rock Perspectives Cohort.

The Perspectives Online Program offers optional virtual sessions throughout the class, including orientation, section reviews, and an Integrative Project help session.

The fifth edition online classes have been significantly revised and include:

- More spiritually reflective homework
- A redesigned project structure
- Improved alignment with the current Online Program
- A more intentional student experience

## Online Class Rhythm

Students receive access to the class about two weeks before the official start date so they can learn the Moodle platform and orient themselves. Once the class begins:

- A new lesson begins on Monday of each week
- Homework is due Sunday
- Video instruction can be watched anytime during the week
- Students attend optional virtual sessions as they're offered

This allows students flexibility while still keeping the class moving together.

## The Rock Network Perspectives Cohort

For those who would like to attend an online class with other Rock Network members and friends, we are planning to use the **August 10** class to assemble a Rock Network cohort. If you'd like to be part of this cohort, please **1) use the link below to register for the August 10 class, and 2) email: Jim Scott at [jmissions@solidlives.com](mailto:jmissions@solidlives.com)** to let us know. The Rock Network Cohort will schedule a weekly time to meet together online.

The Fall 2026 online classes are 18 weeks long, 5th edition classes. It include two breaks and a dedicated week for the Integrative Project after Lesson 15.

All work is due **December 13**.
